

INT. HOTEL ROOM - DAY

Nelson is walking into his room with his bags. He places his bags on the bed before there is a knock at the door. Nelson goes to open it. Standing on the other side is **Morgan Steel** personal assistant of Spike Singleton. She is holding a folder.

NELSON

Hello.

MORGAN

Mr. Davis?

NELSON

Yes?

MORGAN

I'm Morgan. I'm Mr. Singleton assistant. I have the updated script for you.

NELSON

Oh ok great, thank you.

MORGAN

No problem.

Morgan hands over the package and gives Nelson a smile.

Nelson notices she is still standing there.

NELSON

Is there something else I can help you with?

MORGAN

Oh, yes I'm suppose to drive you over to meet with Mr. Singleton.

NELSON

Oh, ok let me grab my jacket.

MORGAN

Sure No problem.

Nelson grabs his jacket as Morgan stares and wait holding the door open.
