

Rebecca is dressed in her jogging gear. Paul enters the room dressed for work at his office.

PAUL  
Good morning.

REBECCA  
Good morning.

PAUL  
How late did you stay up last night. I didn't feel you come to bed.

REBECCA  
Not that long. I was working on a new idea for my book.

PAUL  
See. I knew you would come up with something.

REBECCA  
Yea. Thanks for the pep talk.

PAUL  
No problem. So how many miles you plan today?

REBECCA  
Uh. Oh umm I may go for 5 this time.

PAUL  
Same trail?

REBECCA  
Yep.

Paul kisses Rebecca on the cheek.

PAUL  
Ok have fun, and congrats on the new idea.

Paul turns to leave.

REBECCA

Oh, I plan to meet with Alice later today.

Paul turns back around.

PAUL

Oh, I thought you said she was out of town for a couple of weeks?

REBECCA

Yes, she called me and said that her plans changed and she really needed some girl time.

PAUL

Ok, I'm sure you can use some girl time too.

REBECCA

I definitely can. We are going to go for drinks at our favorite spot.

PAUL

Smitty's?

REBECCA

Yes

PAUL

Listen, the last time you two rebels went there I had to come get y'all. So please be good tonight.

They both laugh.

REBECCA

I know... I promise we will be good. We are not going to relive our college days tonight. Plus my mind is really set on my book.

PAUL

Ok, good baby. Have fun and call me later.

REBECCA

Love you...

Paul kiss her on the forehead and walks out.
